

Bonn-Cologne Graduate School of Physics and Astronomy

Science meets Business & Poster Session

19 April 2024, Bonn

Wolfgang-Paul Lecture Hall, 13.15 - 16.30 h

In our series Science meets Business, our former students Dr. Ju Min Kim, Dr. Oliver Maria Kind and Dr. Anjishnu Bandyopadhyay

will talk about their careers and work as a patent attorney, in autonomous driving and using statistics to recognise financial crime. Afterwards there will be our Poster Session in the foyer.

We cordially invite all interested students and faculty to discuss at the posters and the informal get-together.

BCGS members who want to present a poster are kindly requested to register by mail to gradschool.physics@uni-bonn.de until April 5, 2024. Please register with the title and a brief abstract of your poster.

Friday, 19 April 2024, 13.15 h - Wolfgang-Paul Lecture Hall
