

Session Program

7-11 Jul 2025

New Strategies for Extracting Cosmology from Galaxy Surveys - 3rd edition

Discussions

Sexten Center for Astrophysics Riccardo Giacconi
Sexten Primary School Via Panorama 6, Sexten

Wednesday 9 July

17:00

18:00

Discussions: Prospects and obstacles in galaxy surveys

Session |

Location: Sexten Center for Astrophysics Riccardo Giacconi, Sexten Primary School Via Panorama 6, Sexten |

Convener: Gigi Guzzo

Thursday 10 July

17:00

18:00

Discussions: Inference approaches: pros, cons & complementarities

Session |

Location: Sexten Center for Astrophysics Riccardo Giacconi, Sexten Primary School Via Panorama 6, Sexten

Friday 11 July

10:30
12:00

Discussions: Wrap-up and discussion of breakout sessions

Session |

Location: Sexten Center for Astrophysics Riccardo Giacconi, Sexten Primary School Via Panorama 6, Sexten
